NSTA SPRING COMPETITION(Teams)

AVAILABILITY FORM

Info for New Members:

This competition is predominantly a mixed competition with 2 males and 2 females in each team. We play other clubs in the District ranging from Cammeray to Lane Cove to Roseville. In most cases there are 6 teams in each division and you play each team twice, with semis and finals to follow. It is a very friendly competition held in a social atmosphere. The Club selects players, however players are allowed one request as long as the request is for a player of the same grade.

There is also a 3 man Mens competition. Ring Kit 9484 5148 for more details re the comps.

Competition commences: Saturday 18th September, 2010
